Informational Purposes Only

The information provided on IKALON’s website is for informational purposes only and is intended for a general audience. It is not directed to any specific individual or situation and does not constitute personalized investment advice, an offer to sell securities, or a solicitation of an offer to buy securities.

Performance Information

Any performance information displayed on IKALON’s website that is hypothetical, simulated, or historical and should not be construed as indicative of future results. Past performance is not a guarantee of future returns, and different types of investments involve varying degrees of risk. There is no assurance that any specific investment or strategy will be suitable or profitable for an investor's portfolio.

To access performance information or personalized recommendations, clients must complete the online questionnaire and open a non-discretionary account with IKALON. Personalized recommendations are based solely on the data provided by the client through the platform.

Hypothetical Performance

Hypothetical or simulated performance results have inherent limitations. They do not represent actual trading results and do not reflect the impact of market conditions or actual investment decisions. Hypothetical performance may understate or overstate the impact of various factors, including economic and market conditions, and is not a guarantee of actual results.

No Reliance

Performance information and other materials provided on IKALON’s website are not intended as a primary basis for investment decisions. Users should not act upon this information without seeking advice from a licensed professional regarding their individual financial circumstances.

Access Agreement
